

NEW Resource Directory for Kansans

KANSAS RESOURCE GUIDE

Serving Kansans with Disabilities

The Kansas Resource Guide (KRG) is a collaborative effort to connect consumers and service providers with resources and services for women, infants, children, youth and people with disabilities in Kansas.

What can you find?

The KRG website is a navigational tool for Kansas consumers and service providers in Kansas. You can find links to partner's websites, topical lists and a searchable resource directory.

Find information on:

- Advocacy
- Adult and Aging Services
- Disability Services
- Education
- Employment
- Health Care Services
- Independent and Community Living
- Nutrition and Wellness
- Women and Children's Services
- Youth Services

Call 1-800-332-6262 for more information or assistance in signing up.

Want YOUR Organization in the Directory?

Go to the website below to sign up. Click on the "Become a Participant" link underneath the Kansas county map.

**[www.kansasresourceguide.org/
resource_directory.htm](http://www.kansasresourceguide.org/resource_directory.htm)**

You'll find the ease of use and convenience of our interactive county map and searchable directory a refreshing change from navigating from website to website in search of the needed resource.

There are many benefits to becoming a partner within the KRG some include:

- Participate in a provider driven effort to aid consumers
- Establish a no cost presence on the internet
- Partner with your local community to provide services
- Update your organizations information to keep it current
